Experience

Event Coordinator

SCINTILLA'23

Jun 2023 - Jun 2023 (1 month)

Being a pivotal force in the Inter-College Science Exhibition "Scintilla'23" organizing committee has been an enlightening journey, organised by "Techno International Newtown", where my knowledge blossomed and passion thrived.

As a committee member in this science exhibition, I witnessed the convergence of brilliant minds and diverse perspectives, all unified by a shared dedication to the pursuit of scientific exploration. From curating captivating exhibits to orchestrating engaging discussions, every moment echoed with the resonance of curiosity and innovation.

The experience not only enhanced my organizational skills but also deepened my appreciation for the transformative power of science in our lives. Through the countless hours of planning and execution, the joy of seeing ideas materialize into tangible exhibits and sparking the curiosity of fellow students was truly rewarding.
